

## Sky Primary and Eden Project Nursery Curriculum Overview

Year Group Nursery						
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Enquiry Question	What makes me special?	What colours can we find?	What comes out at night?	How can we move on land, air and water?	What can we grow?	What lives outside?
Sustainability Principles	Energy and Climate	Adaptation for the future	Biodiversity	Health and wellbeing	Food and farming	Cycles and waste
Good Life Goals	17 – Come together	12 – live better	11 – love where you live	3 – stay well	2 – eat better 10 – be fair	15 – love nature
Key Reading Texts	<b>Fiction</b>      <b>Poetry</b> 	<b>Fiction</b>      <b>Non-Fiction</b> 	<b>Fiction</b>      <b>Non Fiction</b> 	<b>Fiction</b>      <b>Poetry</b> 	<b>Fiction</b>     <b>Poetry</b>  <b>Non Fiction</b> 	<b>Fiction</b>      <b>Non- Fiction</b> 
Nature-based curriculum	Children know that they are part of a new school community. Children explore their outdoors area and feel safe in all seasons/ weathers	Children explore living things in local environments and discuss how they have adapted to live there. Children start to take eco-friendly actions – Exploring nature, growing mini gardens.	Children can identify bugs and minibeasts in the local area.	Children begin to develop independent skills for personal hygiene – handwashing, brushing teeth, etc.	Children know that seeds grow into plants. Children plant seeds in containers. Children use locally sourced food to create simple recipes. Children start to take eco-friendly actions – Exploring nature, growing mini gardens.	Children learn to clean up their own waste. When outside, children understand that we leave places as we find them and take our rubbish with us.

<b>Literacy</b>	<p>I can fill in missing words from well-known rhymes.</p> <p>I can show a preference for a book or a song or a rhyme.</p> <p>I can join in with rhymes and stories.</p> <p>I can randomly scribble on the page, sometimes with both hands.</p> <p>I can begin to balance when sitting.</p> <p>I can make connections between my actions and the marks being made.</p> <p>I notice sounds in the environment.</p>	<p>I can identify myself in a story and show enjoyment for stories about familiar people.</p> <p>I can hold a book, turn the pages and indicate an understanding of pictures and print.</p> <p>I can identify rhymes.</p> <p>I can join in with the rhythm of well-known rhymes and songs.</p> <p>I can notice and repeat sounds.</p> <p>I can use a range of tools to make marks and show an interest in my own marks and other marks.</p>	<p>I show interest in illustrations and print in books and print in the environment.</p> <p>I can understand that print has meaning.</p> <p>I can hold a book the right way up and turn pages by myself.</p> <p>I ascribe meaning to my marks.</p>	<p>I can talk about stories.</p> <p>I can make suggestions about what might happen next in a story.</p> <p>I know that print can have different purposes.</p> <p>I can tell an adult what my marks mean.</p> <p>I can draw lines and circles in the air, on the floor or on large sheets of paper, balancing well and using whole arm and body.</p> <p>I can copy shapes, letter and pictures.</p>	<p>I can talk about events and characters in a book.</p> <p>I can tell a story to friends.</p> <p>I know that we read English text from left to right and from top to bottom.</p> <p>I can identify signs and symbols in the environment and recall what they mean.</p> <p>I can ascribe meaning to other marks, like on signage.</p> <p>I can identify sounds from my own name in other words.</p> <p>I can write some or all of my name.</p> <p>I can spot and suggest rhymes</p> <p>I can count or clap syllables in a word</p> <p>I can recognise words with the same initial sound, such as money and mother</p>	<p><b>Comprehension:</b> I enjoy sharing a range of books. I can handle books correctly and with care. I can recognise some familiar words in print, e.g., own name or advertising logos. I enjoy joining in with rhyme, songs and poems. Explain in simple terms what is happening in a picture in a familiar story.</p> <p><b>Word Reading:</b> Hear general sound discrimination and be able to orally blend and segment. Recognise the initial sound in words. Recognise rhyming words.</p> <p><b>Writing:</b> Give meaning to marks they make. Write own name. Use talk to organise describe events and experiences. Orally segment sounds in simple words. Form pre-writing shapes.</p>
<b>Maths</b>	<p>I can show interest in and join in with number rhymes.</p> <p>Compare sizes, weights etc. using gesture and language 'bigger/little/smaller', 'high/low', 'tall', 'heavy'.</p> <p>Notice patterns and arrange things in patterns.</p>	<p>I can understand 'more' and 'less'</p> <p>I can recite some number names in sequence.</p> <p>Make comparisons between objects relating to size, length, weight and capacity</p>	<p>Develop fast recognition of up to 3 objects, without having to count them individually ('subitising').</p> <p>Recite numbers up to 3.</p> <p>Solve real world mathematical problems with numbers up to 3.</p> <p>Talk about shapes.</p>	<p>Show 'finger numbers' up to 3.</p> <p>Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 3.</p> <p>Experiment with their own symbols and marks as well as numerals.</p>	<p>Say one number for each item in order: 1,2,3,4,5.</p> <p>Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle').</p> <p>Show 'finger numbers' up to 5.</p> <p>Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.</p> <p>Solve real world mathematical problems with numbers up to 5.</p>	<p><b>Count objects, actions, and sounds.</b> <b>Subitise</b></p> <p>Matching. Sorting &amp; Comparing Comparing amounts Comparing size, mass &amp; capacity Exploring pattern</p>
<b>Communication and language</b>	<p>I can respond to my name and change my activity when encouraged</p> <p>I can use everyday words to talk about people I know.</p> <p>I can follow simple instructions with visuals</p> <p>I can listen and respond to adults and peers</p>	<p>I can join words together to speak in short phrases</p> <p>I can concentrate for slightly longer periods</p> <p>I can join in with a small group</p> <p>I can remember and join in with stories and rhymes</p>	<p>I can speak in 2–4-word sentences</p> <p>I can follow two-step simple instructions with visuals</p> <p>I can understand more simple questions and answer appropriately.</p> <p>I can express desires, feelings and needs</p>	<p>I can begin to understand and ask why and how questions</p> <p>I can remember and use new words.</p> <p>I can engage in imaginary role-play sometimes building stories around objects and toys</p>	<p>I can explain my own thinking/ideas</p> <p>I can describe the story settings and characters.</p> <p>I can join in with the repeated lines and refrains.</p> <p>I can begin to hold conversations with adults and peers.</p>	<p>I can listen carefully.</p> <p>I can engage in story times, rhymes, and songs.</p> <p>I can maintain attention in whole class/groups.</p> <p>I can follow instructions.</p> <p>I can use longer sentences up to 6 words.</p> <p>I can connect sentences using 'and'</p>
<b>Understanding the world</b>	<p>I enjoy joining in with family customs and routines.</p> <p>Make connections between the features of their family and other families.</p> <p>Notice differences between people.</p>	<p>I can remember and talk about significant events in my own experience.</p> <p>I show interest in different occupations E.g. fire fighters/nurse/police officers.</p>	<p>I can recognise similarities and differences.</p> <p>Use all their senses in hands-on exploration of natural materials.</p> <p>Explore collections of materials with similar and/or different properties.</p>	<p>I can identify where things belong in my environment E.g.: where my bottle/coat/painting goes.</p> <p>I can talk about environments in stories.</p>	<p>Explore how things work.</p> <p>Plant seeds and care for growing plants.</p> <p>Understand the key features of the life cycle of a plant and an animal.</p> <p>Begin to understand the need to respect</p>	<p>Continue developing positive attitudes about the differences between people</p>

	I am interested in photographs of myself and familiar people and objects. I am curious about people and show interest in stories about myself and my family. I can talk about what I was like when I was a baby.	I enjoy celebrating my birthday and that of others I can make observations about my immediate environment. I can, in pretend play, imitate everyday actions and events from own family and cultural background, e.g. making and drinking tea.	Talk about what they see, using a wide vocabulary	I can talk about places I have visited (e.g.: the park/ASDA) I can follow positional language instructions. I am beginning to notice changes in my environment.	and care for the natural environment and all living things.	
<b>Expressive arts and design</b>	I can explore different materials freely, in order to develop my ideas about how to use them and what to make. I can use various construction materials. I can manipulate play dough (roll, knead) Explore different materials, using all their senses to investigate them. Manipulate and play with different materials.	I can use a variety of tools to apply paint (brushes of different sizes, sponges, fingers) I can recognise and name colours. I can mix colours to make new colours. Start to develop pretend play, pretending that one object represents another. Use their imagination as they consider what they can do with different materials. Make simple models which express their ideas.	I can join different materials and explore different textures. I can draw identifiable pictures. I can use a variety of tools to apply paint (brushes of different sizes, sponges, fingers) with increasing control. Begin to develop complex stories using small world equipment like animal sets, dolls and dolls houses, etc.	I can talk about what I am creating. I can begin to use representation to communicate, e.g. drawing a line and saying, 'That's me.' Make imaginative and complex 'small worlds' with blocks and construction kits, such as a city with different buildings and a park.	I can draw a person with identifiable features. Explore different materials freely, to develop their ideas about how to use them and what to make. Develop their own ideas and then decide which materials to use to express them.	I have been exposed to a different range of artists. I can show interest and describe the texture of things. Respond to what they have heard, expressing their thoughts and feelings. Remember and sing entire songs. Play instruments with increasing control to express their feelings and ideas
<b>Personal, social and emotional development</b>	I can separate from my main carer with support An adult can distract me when I am upset	I can express my own feelings I am aware of my own feelings and am beginning to understand that some actions and words can hurt other's feelings. I can demonstrate friendly behavior and form good relationships with adults and peers.	I can separate from my main carer independently I can distract myself when I am upset. I can use an adult as a secure base. I can begin to accept the needs of others and can take turns and share resources. I can show confidence in asking adults for help	I can express my own preferences and interests. I can respond to a few appropriate boundaries. I can seek out others to share experiences.	I am beginning to understand about foods that are healthy and unhealthy I am confident to talk to other children when playing. I can usually tolerate delay when my needs are not immediately met. I welcome praise for what I have done.	I can talk about feelings. I can increasingly follow rules. I know my likes and dislikes. I can organise my belongings in the morning. I can manage my personal hygiene. I can build relationships with adults and peers.
<b>Physical development</b>	<b>Gross motor</b> Walk, run, jump and climb – and start to use the stairs independently Spin, roll and independently use ropes and swings (for example, tyre swings). Sit on a push-along wheeled toy, use a scooter or ride a tricycle.  <b>Fine motor</b> I can hold a pencil (fisted/digital pronate grip) to make marks. I can turn the pages in a book.  <b>Introduction to P.E.</b>	<b>Gross motor</b> I can climb stairs and steps using alternate feet  <b>Fine motor</b> I can fit the pieces of a puzzle together. I can pick up tiny objects using a fine pincer grasp. I can use some one-handed tools and equipment with support.  <b>Introduction to P.E.</b>	<b>Gross motor</b> Skip, hop, stand on one leg and hold a pose for a game like musical statues. Use large-muscle movements to wave flags and streamers, paint and make marks.  <b>Fine motor</b> I can use tweezers. I can use tools effectively in playdough (e.g. cutters/rollers) I can take off my own shoes.  <b>Fundamentals</b>	<b>Gross motor</b> Maintains balance using hands and body to stabilise Walks down steps or slopes whilst carrying a small object, maintaining balance and stability Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks.  <b>Fine motor</b> I can show increasing control over tools like pencils and crayons. I can use tools for mark making with control.  <b>Fundamentals</b>	<b>Gross motor</b> Runs with spatial awareness and negotiates space successfully, adjusting speed or direction to avoid obstacles Can balance on one foot or in a squat momentarily, shifting body weight to improve stability Can grasp and release with two hands to throw and catch a large ball, beanbag or an object Creates lines and circles pivoting from the shoulder and elbow  <b>Fine motor</b> I can use scissors effectively to cut straight lines in paper.	<b>Gross motor</b> Develop skills they need to manage school day successfully: lining up and queuing; mealtimes; personal hygiene Put on own coats, shoes and socks Navigate the space safely  <b>Fine motor</b> Show a preference for a dominant hand. Use one-handed tools and equipment, i.e., making snips in paper with scissors. Start to eat independently and learning how to use a knife and fork.  <b>Ball Skills</b>

					<p>I am beginning to use 3 fingers (tripod grip) to hold my pencil. I can use pincers, tweezers and threading equipment with increasing control and confidence.</p> <p><b>Ball Skills</b></p>	
Great Works	Cornish Tea Treat	Singalong and sparkle	See school in the dark.	Sponsored bunny hop	A picnic to share food	A performance of the very hungry caterpillar
Trips and Enrichment	<p>Harvest. Outdoor learning: creating families with stones, making clay animal faces, using nature to make costumes, making party sandwiches, mud kitchen play.</p>	<p><b>Eden Partnership: Eden-led workshop:</b> The Rainbow Route A Pocket full of Eden</p> <p><b>Eden Places:</b> Rainforest and Med Biome</p> <p><b>Eden Event:</b> Father Christmas Singalong and sparkle.</p>	<p>Making animals with natural materials. Making owl waffles. Creating a den. Shadow puppets.</p> <p><b>Eden Partnership: Sky-led:</b> Infants on Ice</p>	<p>Bike rides. Bus journey. Sponsored Bunny Hop.</p>	<p><b>Eden Partnership: Eden teaching resources/lesson plans:</b> Wildflowers in schools - from seeds to seeds. Explore what grows at Eden. Go on a flower hunt. Visit the allotments.</p>	<p>Big butterfly count.</p> <p><b>Eden Partnership: Eden-led workshop</b></p> <p>The Rainbow Route</p> <p><b>Eden lesson plan:</b> Minibeast Trackers</p>

Year Group Reception						
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Enquiry Question	How do we get ready for our Sky Tea Treat?	How can we use our senses to explore the seasons?	Why do penguins huddle?	What food do we get from farms?	What will we find on our great plant hunters' expedition?	Which tales from the seashore can we share?
Sustainability Principles	Food and Farming	Adaptation for the future	Energy and climate	Cycles and waste	Health and wellbeing	Biodiversity
Good Life Goals	11 – Love where you live 17 – Come together	12 – live better	7 – use clean energy	2 – eat better	15 – love nature	14 – clean the seas
Key Reading Texts	    	    	    	    	    	    
Nature-based curriculum	<ul style="list-style-type: none"> <li>Children explore seasonal, local foods and celebrate Harvest Festival. Children use local recipes and ingredients to prepare a Sky Tea Treat Celebration.</li> <li>I can explore seasonal foods. Harvest festival. Use foods to prepare a Sky treat.</li> <li>I can explore my new school environment.</li> </ul>	<ul style="list-style-type: none"> <li>Children understand how some creatures are adapted to live in the cold and how they keep warm.</li> <li><b>Action</b> – Children design an item to keep us warm in winter.</li> <li><b>Skill</b> – children can use ideas from nature to inspire their designs</li> </ul>	<ul style="list-style-type: none"> <li>Children know that they are a valued member of a class and school community. Children are learning the SKY 'ways of being'. Families and community are regularly invited into school.</li> <li><b>Action</b> – Children are learning to look after each other and see that we are part of one global family, connected to nature.</li> <li><b>Skill</b> – Children begin to understand that their actions have consequences, to care for nature and to develop</li> </ul>	<ul style="list-style-type: none"> <li>Children begin to understand that plants have a life cycle.</li> <li><b>Action</b> – Children water plants in the garden.</li> <li><b>Skill</b> – Children learn how to plant seeds and care for plants.</li> <li>Children begin to understand the different cycles of life on a farm. They learn about the growing cycle of a plant and what plants need to grow.</li> <li><b>Action</b> – children plant seeds to grow food plants.</li> </ul>	<ul style="list-style-type: none"> <li>Children begin to understand the importance of time in nature to my health. Children understand they can feel healthy, be healthy and live healthily in body and mind.</li> <li><b>Action</b> – Children spend time outside connecting with nature.</li> <li><b>Skill</b> – Children share games and activities to enjoy time in nature together.</li> <li>Learn how we can help the environment: Food growing Litter picking gardening</li> </ul>	<ul style="list-style-type: none"> <li>Children learn to identify different marine habitats and rockpool wildlife.</li> <li><b>Action</b> – Children build an underwater habitat for marine animals.</li> <li><b>Skill</b> – Children can identify and classify some marine plants and animals.</li> <li>To identify different marine habitats and rockpool wildlife.</li> <li><b>Action</b> – To build an underwater habitat for marine animals.</li> <li><b>Skill</b> – can begin to identify and classify animals.</li> </ul>

			'environmental manners.'	 <b>Skill –children can identify parts of a plant.</b>		
<b>Literacy - Writing</b>	Give meaning to marks they make. Write own name. Form pre-writing shapes	Spell to write VC and CVC words independently using set 1 graphemes. Orally compose a sentence and hold it in memory before attempting to write it. Write from left to right and top to bottom. Form recognisable letters.	Spell to write VC, CVC and CVCC words independently using set 1 and set 2 graphemes, including digraphs. Spell some irregular common (tricky) words independently. Holds a pencil effectively to form many letters correctly.	Spell to write VC, CVC and CVCC words independently using set 1 and set 2 graphemes, including digraphs. Spell some irregular common (tricky) words independently. Holds a pencil effectively to form many letters correctly.	Use writing in play. Write a simple phrase or sentence with a full stop. Include spaces between words. Make phonetically plausible attempts when writing. Form most lower-case letters correctly, starting and finishing in the right place, going the right way round and correctly orientated.	Write short sentences with words with known letter-sound correspondences using finger spaces, a capital letter and a full stop. Make phonetically plausible attempts when writing more complex unknown words. Re-read what they have written to check that it makes sense. Use a pencil confidently to form all letters correctly. Spell taught tricky words.
<b>Literacy - Reading</b>	Listen, enjoy and retell stories. Recognise own name. Hear general sound discrimination and be able to orally blend and segment. Recognise the initial sound in words. Recognise rhyming words. Begin learning RWI set 1 sounds.	<b>Comprehension:</b> Make a simple prediction based on the pictures or text of a straightforward story that is read aloud to them. Show understanding of some words and phrases in a story that is read aloud to them. Express a preference for a book, song or rhyme, from a limited selection. Play is influenced by experience of books (small world, role play). <b>Word Reading:</b> Read words and short texts including taught graphemes. Read some common exception words matched to the school's phonic programme.	<b>Comprehension:</b> Retell stories in the correct sequence, draw on language patterns of stories Show understanding of many common words and phrases in a story that is read aloud to them. Suggest how an unfamiliar story read aloud to them might end. Give a simple opinion on a book they have read. <b>Word Reading:</b> Read some letter groups that each represent one sound and say sounds for them. Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.	<b>Comprehension:</b> Retell stories in the correct sequence, draw on language patterns of stories Show understanding of many common words and phrases in a story that is read aloud to them. Suggest how an unfamiliar story read aloud to them might end. Give a simple opinion on a book they have read. <b>Word Reading:</b> Read some letter groups that each represent one sound and say sounds for them. Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.	<b>Comprehension:</b> Correctly sequence a story or event using pictures and/or captions. Make simple, plausible suggestions about what will happen next in a book they are reading. Know the difference between different types of texts (fiction, nonfiction, poetry). Make inferences to answer a question beginning 'Why do you think...?' in a picture book that has been read to them. <b>Word Reading:</b> Read some letter groups that each represent one sound and say sounds for them. Fluently read sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.	<b>Comprehension:</b> Recall the main points in text in the correct sequence, using own words and include new vocabulary. When prompted, say whether they liked or disliked a book, and give a simple justification or make a relevant comment. With prompting, sometimes show understanding of some less familiar words and phrases in a story that is read aloud to them. <b>Word Reading:</b> Recognise at least 10 digraphs. Read set 2 words fluently. Read set 2 books fluently, including some common exception words.
<b>Maths</b>	Count objects, actions, and sounds. Subitise to 3 Matching, sorting & comparing Comparing amounts Comparing size, mass & capacity Exploring pattern - making simple patterns	Explore the composition of numbers to 5 Subitise to 5 Automatic recall number bonds up to 5 One more and one less (numbers up to 5) Have a deep understanding of numbers up to 5 Formation of numbers to 5 Exploring 2D shapes	<b>Alive in 5</b> Find 0 to 5 Subitise 0 to 5 Represent 0 to 5 Find 1 more and 1 less in numbers up to 5 Composition 0 to 5 <b>Mass and Capacity</b> Explore and compare mass Explore and compare capacity <b>Growing 6, 7, 8</b> Find and represent 6, 7 and 8 Find 1 more and 1 less Composition of 6, 7 and 8 Explore odd and even numbers Double to 8 Combine 2 groups <b>Length, Height and Time</b> Explore and compare length Explore and compare height Talk about time Order and sequence time	<b>Building 9 and 10</b> Compare numbers to 10 Represent 9 and 10 1 more and 1 less Composition to 10 Bonds to 10 Doubles to 10 Explore even and odd <b>Explore 3D shapes</b> Recognise and name 3D shapes Find 2D shapes within 3D shapes Use 3D shapes for tasks Identify 3D shapes in the environment Identify more complex patterns Copy and continue patterns	<b>To 20 and beyond</b> Build numbers beyond 10 Continue patterns beyond 10 Verbal counting beyond 20 <b>How many now?</b> Add more How many did I add? Take away How many did I take away? <b>Manipulate, compose and decompose</b> Select shapes for a purpose Rotate and manipulate shapes Explain shape arrangements Compose shapes Decompose shapes	Count beyond 10. Add and subtract numbers within 10. Understand doubling and halving. Recognise even and odd numbers. Share and group resources. Automatic recall of number bonds within 10. Deep understanding of numbers below 10

<b>Communication and language</b>	Express ideas and feelings Understand how to listen carefully and why listening is important. Engage in story times, rhymes, and songs. Maintain attention in whole class/groups. Follow 1 step instructions. Understand 'why' questions. Use sentences 4-6 words. Use talk to organise play.	Listen in familiar & new situations. Maintain attention in new situations. Ask questions to find out more and to check they understand what has been said to them. Follow instructions with 2 parts in a familiar situation. Start a conversation with peers and familiar adults and continue for many turns. Develop social phrases	Listen attentively in a range of situations. Maintain attention during appropriate activity. Engage in non-fiction books. Consider the listener and take turns. Use talk to organise/stand for something else in play. Begin to use past tense. Begin to recount past events.	Maintain attention in different contexts. Use talk to help work out problems and organise thinking and activities. Explain how things work and why they might happen. Articulate their ideas and thoughts in sentences. Listen to and talk about selected non-fiction text to develop a deep familiarity with new knowledge and vocabulary. Begin to connect one idea or action to another using a range of connectives. Retell the story once they have developed a deep familiarity with the text; some as exact repetition and some in their own words.	Listen and understand instructions while busy with another task. Maintain an activity while listening. Understand how, why, where questions. Describe events in some detail. Express ideas about feelings and experiences. Articulate their ideas and thoughts in well-formed sentences. Use language to reason.	Listen and respond with relevant questions, comments, or actions. Make comments and clarify thinking with questions. Speak in well-formed sentences with some detail. Use new vocabulary in different contexts. Use past, present, and future tenses in conversation with peers and adults. Use conjunctions to extend and articulate their ideas. Hold a back-and-forth conversation.
<b>Understanding the world</b>	<b>Past and Present</b> Begin to make sense of their own life story and family's history. Explore and talk about important events in the school or locality's history. Talk about members of their immediate family and community. Name and describe people who are familiar to them. <b>The Natural World</b> Explore the natural world around them. Talk about the features of their immediate environment with visual representations.	<b>Past and Present</b> Find out about key historical events and why and how we celebrate today? Remembrance Day, Christmas Day, Diwali. Ask questions, use different sources to find answers including books. Comment on images of familiar situations in the past. <b>People, Culture and Communities</b> Recognise that people have different beliefs and celebrate special times in different ways. Recognise some similarities and differences between life in this country and life in other countries. <b>The Natural World</b> Use all their senses in hands on exploration of natural materials. Describe what they see, hear and feel whilst outside.	<b>People, Culture and Communities</b> Know there are different countries in the world and talk about the differences they have experienced or seen in photos. Recognise some environments that are different to the one in which they live Describe a contrasting environment to their own. Use globes and maps to talk about the different places around the world. <b>The Natural World</b> Explore different habitats and animal adaptations for survival. Talk about the differences between materials and changes they notice. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.	<b>The Natural World</b> Begin to understand the need to respect and care for the natural environment and all living things. Understand the effects of the changing seasons on the natural world around them. Talk about what they see, using a wide range of vocabulary. Understand the key features of the life cycle of a plant or animal. <b>People, Culture and Communities</b> Begin to identify the origins of some foods. Locally produced food is grown seasonally. Organic farms use natural products to keep the soil healthy.	<b>The Natural World</b> Explore the natural world around them, making observations and drawing pictures of animals and plants. Understand the key features of the life cycle of a plant and an animal. Understand their role in protecting the natural world. Plant seeds and care for growing plants. <b>Past and Present</b> Share stories and talk about significant people who lived in the past.	<b>People, Culture and Communities</b> Draw information from a simple map and identify landmarks of our local area. Create own maps. Comment and ask questions about the different parts of the local community. Use photos and pictures to locate places and places on a simple map. Find out about their local area by talking to people, examining photographs, and visiting local places. Recognise, know, and describe features of different places. Look closely at similarities and differences between their immediate environment and different places they have visited. <b>Past and Present</b> Talk about the lives of the people around them and their roles in society. <b>The Natural World</b> Name some natural and man-made materials in the environment. Describe ways to look after the immediate environment. Describe, predict and sort things that float and sink and talk about the forces that they can feel.
<b>Expressive arts and design</b>	<b>Creating with materials</b> Create a portrait using various materials. Create a relief print of a leaf.	<b>Creating with materials</b> Manipulate clay effectively, including rolling, scraping, pinching.	<b>Creating with materials</b> Use multiple media to create a piece of art. <b>Artist Study</b> – Van Gogh	<b>Creating with materials</b> Learn and apply new printing techniques Using various materials to design and build houses. Construct simple	<b>Creating with materials</b> <b>Artist Study</b> – Georgia O'Keeffe Share their creations, explaining the process they have used	<b>Creating with materials</b> Use printing ink and printing rollers to create a monoprint. Use collage to represent the seashore.

	Use nature to create decorations for our Tea Treat (natural dyes and hapazome). Design and make costumes including hats, masks and necklaces.  <b>Being Imaginative and Expressive</b> Develop storylines in their pretend play. Create simple dances to music	Mix colours to make other colours. <b>Artist Study</b> – Jackson Pollock Fireworks <b>Being Imaginative and Expressive</b> Remember and sing entire songs. Add movements to music. Sing in a group or on their own, increasingly matching the pitch and following the melody.	Add white or black paint to alter the shade. Return to and build on their previous learning, refining ideas and developing their ability to represent them. <b>Being Imaginative and Expressive</b> Create their own songs or improvise a song around one they know. Watch and talk about dance and performance art, expressing their feelings and responses.	structures and models using a range of materials. <b>Being Imaginative and Expressive</b> Play instruments with increasing control to express their feelings and ideas. Retell the story of the Three Little Pigs. Perform a dance.	Create a flower using wet felting Create observational drawings of plants and flowers. Notice and add details when drawing. Use digital devices to take digital images or recordings of their creations to share with others. <b>Being Imaginative and Expressive</b> Listen attentively, move to, and talk about music, expressing their feelings and responses.	Construct models using recycled materials. Learn and apply joining techniques. Create collaboratively sharing ideas, resources, and skills. <b>Being Imaginative and Expressive</b> Invent, adapt and recount narratives and stories with peers and their teacher. Perform songs, rhymes, poems and stories with others, Move in time with music.
<b>Personal, social and emotional development</b>	Can talk about feelings. Understand healthy living and make healthy choices Welcome distractions when upset. Increasingly follow rules. Know likes and dislikes. Independently organise belongings in the morning. Manage personal hygiene. Build constructive and respectful relationships.	Beginning to express their feelings and consider the perspectives of others. Begin to take turns and share resources. Independently choose where they would like to play. Continue to build constructive and respectful relationships.	Show pride in achievements. Understand behavioural expectations of the setting. Can explain right from wrong and try to behave accordingly. Manage their own needs. Can identify kindness. Seek others to share activities and experiences.	Can make choices and communicate what they need. Begin to show persistence when faced with challenges. Can keep play going by co-operating, listening, speaking, and explaining. Can reflect on the work of others and self-evaluate their own work. Know and talk about the different factors that support their overall health and wellbeing.	Beginning to know that children think and respond in different ways to them. Can talk about their own abilities positively. Confident to try new activities. Show resilience and perseverance. Talk with others to solve conflicts.	Able to identify and moderate own feelings. See themselves as a unique and valued individual. Can seek out a challenge and enjoy the process. Show sensitivity to others' needs and feelings
<b>Physical development</b>	<b>Gross motor</b> Develop skills they need to manage school day successfully: lining up and queuing; mealtimes; personal hygiene Put on own coats, shoes and socks Navigate the space safely <b>Fine motor</b> Show a preference for a dominant hand. Use one-handed tools and equipment, i.e., making snips in paper with scissors. Start to eat independently and learning how to use a knife and fork.  <b>Introduction to P.E.</b>	<b>Gross motor</b> Revise and refine fundamental movement skills they have already acquired: rolling; crawling; walking; jumping; running; hopping; skipping and climbing Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.  <b>Fine motor</b> Develop their small motor skills so that they can use a range of tools competently, safely and confidently.  <b>Fundamentals</b>	<b>Gross motor</b> Further develop and refine a range of ball skills including throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision, and accuracy when engaging in activities that involve a ball. <b>Fine motor</b> Use a comfortable grip with good control when holding pens and pencils.  <b>Ball Skills</b>	<b>Gross motor</b> Demonstrate strength, balance and coordination when playing. Progress towards a more fluent style of moving, with developing control and grace. <b>Fine motor</b> Develop the foundations of a handwriting style which is fast, accurate and efficient Use more complex tools with confidence – hammers, tweezers, knives, peeler, pipettes  <b>Dance</b>	<b>Gross motor</b> Develop overall body strength, coordination, balance and agility. Combine different movements with ease and fluency. <b>Fine motor</b> Develop the foundations of a handwriting style which is fast, accurate and efficient. Fasten zips independently. Use a range of small tools effectively for a purpose.  <b>Games</b>	<b>Gross motor</b> Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. Negotiate space and obstacles safely, with consideration for themselves and others. <b>Fine motor</b> Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Show accuracy and care when drawing.  <b>Gymnastics</b>
<b>Computing</b>	Barefoot – Awesome Autumn. What patterns can we create in nature?		Barefoot –Busy Bodies What are the changes in our bodies?		Barefoot –Summer Fun. What can we find on a summer's journey?	
<b>Great Works</b>	A traditional tea treat	Sing along and sparkle	Polar quiz	Three little pigs – retelling	Art exhibition	Share books and riddles
<b>Trips and Enrichment</b>	Harvest	Fire services visit.  <b>Eden Partnership: Eden-led Workshop:</b> A Pocket full of Eden <b>Eden teaching resources/lesson plans:</b> A Feast for the Senses	<b>Eden Partnership: Sky Led:</b> 60 things – penguin ice-skating  RSPB Big School Bird Watch.  Newquay Zoo Visit.	Incubator in class to hatch eggs.  Visiting a local farm – Woodland Valley and Penrice farm.	60 things – forage for a meal cooked food on a campfire  <b>Eden Partnership: Eden-led workshop:</b> The Rainbow Route Ready-Steady Sow <b>Eden teaching resources/lesson</b>	60 things – rockpool ramble.  Beach trips.
